Fibreglass Grating, Hand Railing and Accessories

Gratewalk is a South African Company specializing in the supply of fibreglass floor grating (fibreglass reinforced plastic - FRP) for Marine, Mining and Industrial applications.

Gratewalk was established in 1995 to supply the needs of a growing market for a non-corrosive, high strength and light weight product.

Our high quality grating has the following certifications:

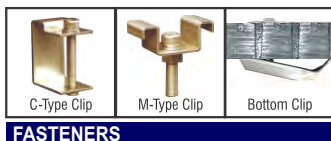

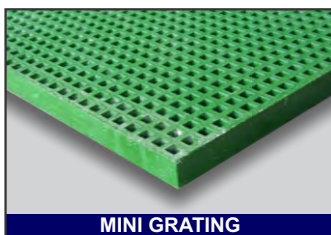

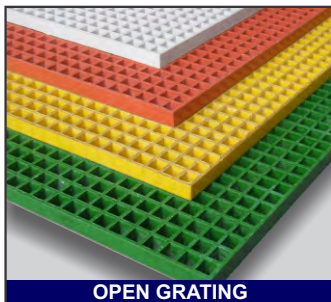

- **ABS Classification:** For Design, Manufacturing and product approval. (i.e. intended services)
- **ABS Classification:** For Fire Resistance - ASTM E84
- **ABS Classification:** For Fire Resistance - Toxicity D635
- **SABS Classification:** For deflection and transfer strength.
- **ISO 9001:2015**

The production, inspection and testing of our product is therefore managed and controlled in compliance with the ISO 9001:2008

We keep a large stock of grating and are supplying our clients in the main cities in South Africa, within 24 to 72 hours.

Together with our prompt service, this has allowed us to become one of top suppliers of grating in South Africa.
